PROFILE

A motivated and goal-oriented BBA student at the Indian Institute of Management with a strong foundation in trading, digital marketing, and effective communication. Passionate about financial markets and entrepreneurship, I bring hands-on experience from volunteering and academic projects. Skilled in leadership, networking, and critical thinking, I aim to leverage my knowledge and certifications in trading strategies to build impactful ventures and drive growth.

	Masterclass on Profitable Options Trading Strategies
	Masterclass on Short-term Momentum Trading

EXPERIENCE

NGO

Volunteering at an NGO was a deeply enriching experience that allowed me to connect with people from diverse backgrounds and contribute meaningfully to a cause greater than myself. It taught me the value of empathy, teamwork, and responsibility. Whether it was organizing events, helping with educational activities, or simply spending time with beneficiaries, every moment was a lesson in humility and service. The experience not only broadened my perspective but also instilled a strong sense of social responsibility in me.
